English & Business Preparation

Foundation Programmes

Prepare for study and life at Wittenborg University of Applied Sciences. If you are an international student and you need additional preparation and support in English or foundation subjects to complete undergraduate or postgraduate study at Wittenborg University of Applied Sciences, then the Foundation Programmes with Intensive English Language course that is based on IELTS exam style offered at Wittenborg can help you develop the skills and knowledge to succeed in your degree.

The foundation year concept at Wittenborg

The Pre-Bachelor is the Foundation of the Bachelor International Business Administration. You will be offered business modules together with intensive lessons of Academic English.

To start the English & Business Preparation Course students need a minimum IELTS level of 5.0. Depending on their current level students can apply for a 1/2 year programme or a 1 year programme.

The English & Business Preparation Modules:

- IELTS Listening & Speaking - 3 hours per week
- IELTS Reading & Writing - 3 hours per week
- IELTS Grammar & Vocabulary - 3 hours per week
- English Practise - 3 hours per week
- English Language Accounting - 2 hours per week
- English Language Business - 2 hours per week
- Academic English - 2 hours per week
- IT Office & Automation - 2 hours per week

On successful completion students will be awarded an IBA Foundation Year Certificate and progression to the Bachelor degree programme, with exemption for all IBA credits already achieved.
