Pre-Master Programme

The Pre-Master programme in Business and Management has been designed for students who are not qualified for direct entry to the postgraduate (Master's) programmes at Wittenborg University, in terms of academic qualifications, English language proficiency, and/or work experience.

The aim of the Pre-Master programme is to prepare students for entry into the MSc (Master of Science) programmes Wittenborg offers. With the main elements of business and management covered within the Pre-Master programme, students will enter the postgraduate programme of their choice well-prepared.

Business & Management

The Pre-Master programme prepares students for entry into the Master of Science Programmes or Master of Business Administration Programmes. It is specifically for students who have:

- No directly relevant Bachelor degree;
- Little direct work experience (in a relevant field of business);

English Language Proficiency:

An IELTS score of a 6.0 or higher (or the equivalent of another acceptable certificate) is needed to start the Master courses at Wittenborg University. If your IELTS

score is between a 5.5 and a 6.0, we recommend you to follow the English & Business Preparation Programme at Wittenborg University.

(This does not apply to: students who have completed a Bachelor programme taught in English, or come from countries where English is an official language.)

Which Master Programmes?

The Pre-Master gives entry into the following Master Programmes:

Master of Science (MSc):

- MSc International Event Management
- MSc International Tourism Management
- MSc International Hospitality Management
- MSc Sport Business Management

Take up the Master Challenge

To meet the challenges of the global marketplace, Wittenborg University's Business School offers its Master programmes to provide international companies with graduates who have both international business and management skills, with foreign language and cross-cultural competencies. Wittenborg's programmes provide a truly international and multicultural environment which Pre-Master Programme makes its graduates attractive to potential.
