

## Covid-19 Guidelines

Stay home if you show any symptoms.

- Covid-19 Symptoms include:  
Cold-like symptoms (runny nose, sneezing, a sore throat)  
Coughing  
Shortness of breath or pneumonia  
A temperature up to 38 degrees or a fever above 38 degrees  
A sudden loss of smell or taste (without a blocked nose)

For information on how to get tested for Covid-19, please go to the FAQ section on Wittenborg-Online or scan here.

Wash your hands frequently.

- Wash your hands before going out, when you return home, after blowing your nose, before eating and after going to the toilet.
- Wash your hands for 20 seconds with soap and water. Dry them thoroughly.

Wear a facemask in all public areas.

Keep 1.5m distance from others.

- This does not apply to people living in one household.
- Keeping two arms lengths away reduces the risk of people spreading the infection.

Don't shake hands.

Please use the stairs.

- A maximum of one person is allowed in the elevator at a time.

One person at the sink at any one time.
